MEDIA RELEASE – FOR IMMEDIATE USE

12 August, 2015

Stewart Maddison Appointed New CEO of Orontide Group Limited

Orontide has announced the appointment of Stewart Maddison as their new CEO, effective from Monday 10 August, 2015.

Stewart brings a wealth of experience in the Mining and Construction sectors to Orontide, including significant executive management experience with mining industry service providers, both within Australia and internationally.

“I’m very excited about Orontide and its potential as a significant engineering maintenance company in Western Australia. Orontide’s established relationships with major Mining, Oil and Gas and Defence clients represent excellent opportunities and I look forward to growing and strengthening the Company further.”
